

Quality Policy

The Barnfield Group of Companies (hereinafter referred to as “the Organisation”) aims to provide defect free products to its clients on time and within budget.

The Organisation operates a Quality Management System that has gained BS EN ISO 9001 : 2008 certification, including aspects specific to the provision of property investment, development and construction activities.

The structure of the Quality Management System is defined in the Quality Manual. All personnel understand the requirements of this Quality Policy and abide with the contents of the Quality Manual. The Organisation complies with all relevant statutory and regulatory requirements. The Organisation constantly monitors its quality performance and implements improvements when appropriate.

Senior management is committed to taking accountability for the effectiveness of the quality management system, ensuring that the quality policy and objectives are established and are compatible with the context and strategic direction of the organisation.

Objectives include:

- continually improved integration of the quality management system requirements into the organisation’s business processes, year on year;
- promoting the use of the process approach and risk-based thinking;
- accurately assessing and allocating the resources needed for effective implementation of the quality management system;
- seeking innovative ways of communicating the importance of effective quality management and of conforming to the quality management system requirements both internally and externally;
- engaging, directing and supporting those who implement the quality management system;
- provision of support for other managers to demonstrate leadership on quality management in their areas of responsibility.

This Quality Policy is regularly reviewed in order to ensure its continuing suitability.

Copies of the Quality Policy are made available to all members of staff, suppliers and public. Copies of the minutes of Management Reviews, or extracts thereof, are provided to individual members of staff in accordance with their role and responsibilities as a means of communicating the effectiveness of the Quality Management System.

This policy shall be formally reviewed at least annually.
